

St. Malachy Annual Winterfest Craft & Vendor Show

Saturday, February 15th

9 am – 2 pm

Please consider joining us as an exhibitor at the St. Malachy Winterfest Craft & Vendor Show in Geneseo, Illinois. We ask that artists offer handcrafted items only for sale and vendors offer vendor-approved products only. A limit of one vendor per product is made to allow for variety. Duplicate vendor applications and monies will be returned.

The fee is \$35 for a space containing one 7-foot table or \$30 for a space without a table (bring your own). Chairs will be provided. Please fill out the application below and return by Friday, January 31st. A confirmation letter regarding room assignments and other information will be sent to you after Wednesday, February 5th.

The show will be held in the St. Malachy school classrooms. We feel this area gives our artists and vendors better contact with the public and more room for their crafts. We will again have younger members of the Parish guiding the public through the building to the Show. Artists and vendors will enter from the east doors of the school building for set-up.

We encourage artists and vendors to email/create an event on Facebook inviting customers to the event. The information will also be posted on the St. Malachy event page. This helps all participants in the Craft & Vendor Show by maximizing attendance at the event.

If you need to cancel, you will not be refunded for your booth rental. You may, however, find a substitute with approval from the Winterfest coordinators.

St. Malachy Catholic Church is not responsible for loss or damage incurred at the event.
