This schedule is for *July, August and September 2019*. If you are not able to attend the Mass you are scheduled for, PLEASE GET A SUB from the list provided.

PLEASE NOTE: It is important for the congregation to know what you are saying. Please try to speak clearly, toward the microphone. The suggested use is to talk towards the microphone from a distance of 6 to 9 inches. The more loudly you speak, the farther away from the microphone you should be. If the sound "pops", you are too close. On the other hand, if you are soft-spoken, you might not be heard well unless you are fairly close to the microphone. It may take some time for you to find your distance. If you find that you are not comfortable using our microphones, you are welcome to stop in church at some non-Mass time and practice. Thanks.

You will need the *Gather Hymnal*. You might also like to use a Lector Workbook. There are copies available in the office.
