

Confirmation Service Hours

There is no “required number” of service hours for students in Confirmation class. As Christians we hope to grow a spirit of humble service to others in our everyday lives.

A reasonable goal is about 25 hours per year

In order for your work to be considered service it must be uncompensated.

Look for opportunities to serve in ways that interest you!
Below are suggestions, but you are not limited to these.

Mass roles (lector, choir, etc.)

When we humbly serve others...

We shift our focus off of ourselves onto others.

We begin to see others as Jesus sees them.

We begin to see Jesus IN others, and they can see Him in us.
