At St. Malachy School, we are a family in Christ.
As the school year comes to a close, faculty and staff reflect on the time the graduating seniors spent at St. Malachy School. This year students of the Class of 2019 who attended St. Malachy during their elementary years were invited to "come home" and visit the school. On Wednesday, May 29th, dressed in their caps & gowns, several of the recently graduated seniors came back to St. Malachy. Their visit began with a prayer for graduates before they greeted students and teachers in the school. The entire school family applauded graduates, Connor Lillis, Adia Raya and Erik Stenzel, as they paraded through the hallways. They toured the school to see all that has changed in the years since they left St. Malachy. Current students enjoyed playing basketball with the big kids at recess and asking them all sorts of questions about high school and their future plans during lunchtime.
St. Malachy proudly considers these students part of our school family and we pray that God will bless them in the “next chapter” of their lives.

The St. Malachy School family lovingly remembers students of the class of 2019, Isaac Maciejewski and Joshua Wilson. Isaac attended St. Malachy School for first grade, and Joshua was a student from first through fifth grade. Their classmates and teachers are blessed to have known these wonderful boys; and they will always be a part of our school family.
Parents Club Scholarships Awarded

St. Malachy Parish recognized the Class of 2019 at the annual Graduation Mass on Sunday, May 19th.

Congratulations to Kylee Gehl, recipient of the Parents Club Scholarship, and Adia Raya who was awarded the St. Malachy School Alumni Scholarship.

Great job to these two young ladies - they will go far with their strong faith and hard work!
I recently had the pleasure of sitting down with Mr. Vern Mariman to chat about his involvement with St. Malachy Car Party over the years.

Growing up with parents who loved a bargain as much as they enjoyed collecting eclectic household antiques, I was perfectly at home wandering the aisles at the local auction house. Wednesday nights rolled around and I’d watch the pile of treasure beside my parents’ chairs grow as my dad nodded ever so slightly to signal his bid. When the time came, however, for me to bid on an auction item for the very first time at a St. Malachy Car Party, I found myself weak in the knees and practically hyperventilating with anxiety.

The smiling man at the microphone, it seemed, was talking only to me, even though over 300 people filled the room. He smiled again and I felt more and more at ease. He spoke with such confidence and a tone of reassurance that I was convinced that he was right; if I would bid $500 he could get the competing bidder to give $600. When I realized he was right; the other bidder shook his head—he was out, leaving only me.

“It’ll be ok,” crooned the auctioneer, and I felt my confidence grow. Hesitating slightly, I glanced sideways at my husband. “Don’t look at him,” the auctioneer encouraged, “Remember, this is for the kids,” and that was it; he had spoken the magic words. With a surge of courage, I raised my number one last time.

For forty years Vern Mariman has been the voice of the live auction at the St. Malachy Car Party. Much like his own profession, Car Party has grown and evolved over the years. When he first became involved in 1979, only the last five tickets of the drawdown were auctioned off at halftime. Over the years, the addition of larger items and packages has made the live auction one of the most exciting and entertaining parts of the evening.

Mr. Mariman, whose own children and two of his grandchildren attended St. Malachy School, has spent his lifetime in Geneseo, (I was) “either too stupid to leave, or smart enough to stay.” He and his wife, Pat, are active parishioners, and he humbly describes his role in Car Party as merely a link in a chain. “We all contribute in our own way.”

While it is an emotional decision to step away from the Car Party live auction, Mr. Mariman assured me that he is not going anywhere. He will still be around to help and guide the Car Party committee with the auction, if needed. He still maintains his local business and plans to slow down a bit more to enjoy his family and make more time for the activities he enjoys.

**Thank you, Vern, for all that you have done “for the kids” these past 40 years!**
Guests at the 2019 St. Malachy Car Party dusted off their cowboy hats and saddled up for an exciting evening of fun! *Boots, Buckles & Books* was the theme of this year’s annual event marking 45 years of successful fundraising and support for our school. As always, the festivities included silent and live auction items, dinner, the drawdown with a $10,000 grand prize, as well as some unexpected fun including a jail where guests could be locked up & set free for a donation to the school! Thanks to the generosity of all who were involved with the event, the school will purchase new Social Studies textbooks. Pictured right are Ian and Stephanie Mattan, winners of this year’s drawdown.

**GOOD LUCK to Our Sixth Graders!**
