

STUDENT SERVICES PROJECT

In June, we will again be collecting items for local students in need. Grace United Methodist Church began this project two years ago, working with the Geneseo School system to help provide general everyday items for students in the McKinney-Vento Homeless Assistance program as well as other students who might have similar needs. The plan is to have each Church in the Geneseo School system volunteer for a month to collect various items and donate them to the schools. The items are distributed on a need basis at the discretion of the counselors.

We ask that donations to be placed in the designated area of the Narthex throughout the month of June.
