

Each April St. Malachy School & Parents Club hosts **Car Party**. Our hope is 2022 will return to a traditional in-person event but this year we have mapped out a donation fundraiser **"drive"** for our 2021 event. No actual drive is required as we are revving up to raise funds for St. Malachy School. Without the in-person event we need you to consider making a 100% tax free donation. We plan to update the fleet of Chrome Books and purchase a New Math Curriculum. With your financial help we can make these tune ups happen.
