

Statement on Parish & School Websites

Concerning K-12 Instruction & Tuition During the COVID19 Pandemic

Since remote learning is continuing through the end of the 2019-2020 academic year, any school family that needs assistance with obtaining technology or with the delivery of e-learning during the COVID19 pandemic should refer to the school's **Remote Learning Plan** and contact the teacher(s) and/or principal at your school.

If anyone is experiencing a financial difficulty or challenge at this time, please contact your school principal or pastor/chaplain for the availability of assistance with tuition aid.
