

2018-2019 Parents Club Coffees

This school year Parents Club will host one regular coffee after the Sunday 8:15 and 10:30 a.m. masses and one special coffee after the masses on Sunday for Catholic School's Week.

A reminder will be sent out through email the week before. We have split the families into groups, so you will only be asked to do this one time.

This year we are asking that the KINDERGARTEN families bring either a gallon of milk or juice. ALL OTHER GRADES please bring either two dozen donuts/danish/breakfast bars/cookies or one dozen donuts/danish/breakfast bars/cookies and fresh fruit. It is important that you bring your items so that there is enough to host the coffee. If your assigned date does not work for you, please switch with another family - no need to notify us.

Please drop off your items Saturday afternoon/evening or Sunday morning before 8:00 a.m. Please mark your items with your name and Parents Club Coffee, so that it doesn't get used for something else.

Thank you again for your support of the Parents Club. Please plan on attending the coffee for fellowship and refreshments as it is a great way to talk to other parents and families of St. Malachy School. If you have any questions, please feel to contact Sara Dykstra at parentsclub@stmalgeneseo.org.
