

We hope to see you all on Monday at our October Parents Club Meeting at 6:30pm. Come join us to hear about the exciting events headed our way. The agenda for the meeting is attached. One of the items we will talk about is a great fundraiser that Nick Emmerson was approached about. He will share more at the meeting on Monday at 6:30pm but thought we would let you know about it now so you can mark your calendars. This is from Nick...

We had talked about getting together a group of individuals to do some wheelbarrowing on the morning of October 19th. The plan would be to either meet at the church at 7:30 or anyone could meet at the Bob and Barb Kuhn's @ 8. Kuhn's address is 19789 East 1650 St. Geneseo. It is right next to the Geneseo Airport. We will only have a few wheelbarrows. So if people could bring wheelbarrows that would be wonderful. We will be wheelbarrowing Aglime into horse stalls. Kuhn's will make a donation to Parents Club.

Thanks Nick for this wonderful opportunity. Also, please remember that if you have not paid \$50/family for your Sweets-n-Treats donation it is due by October 15th. We will be needing to purchase Lasagna Supper deserts and will need these funds. This can be dropped off at the school office or sent via book bag mail. Your prompt payment is greatly appreciated. See everyone on Monday night.
